

## Schedule of Benefits Summary

Group Name: Educators Health Alliance

Effective Date: September 01, 2024

Payment for Services	In-network Provider	Out-of-network Provider
Covered Services are reimbursed based on the Allowable Charge. Blue Cross and Blue Shield of Nebraska In-network Providers have agreed to accept the benefit payment as payment in full, not including Deductible, Coinsurance and/or Copayment amounts and any charges for non-covered Services, which are the Covered Person's responsibility. That means In-network providers, under the terms of their contract with Blue Cross and Blue Shield, can't bill for amounts over the Contracted Amount. In some situations, Out-of-network Providers can bill for amounts over the Out-of-network Allowance.		
<b>In-network Provider:</b> The provider network is shown on your I.D. card. For help in locating In-network Providers, visit <a href="http://NebraskaBlue.com/Find-a-Doctor">NebraskaBlue.com/Find-a-Doctor</a> .		
<b>Deductible</b> (the amount the Covered Person pays each Calendar Year for Covered Services before the Coinsurance is payable)	\$1,050 \$2,100	\$2,100 \$4,200
<b>Coinurance</b> (the percentage amount the Covered Person must pay for most Covered Services after the Deductible has been met)	20% 80%	40% 60%
<b>Out-of-pocket Limit</b> (Includes Deductible, Coinsurance and Copays)	\$4,900 \$9,800	\$9,800 \$19,600
In-network and Out-of-network Deductible and Out-of-pocket Limits cross accumulate. All other limits (days, visits, sessions, dollar amounts, etc.) do cross accumulate between In-network and Out-of-network, unless noted differently. Day, session or visit limits for certain services shown on this summary are not applicable to Mental Health and/or Substance Use Disorders. Once the annual Out-of-pocket Limit is reached, most Covered Services are payable by the plan at 100% for the rest of the Calendar Year.		
*Embedded – If you have single coverage, you only need to satisfy the individual Deductible and Out-of-pocket Limit amounts. If you have family coverage, no one family member contributes more than the individual amount. Family members may combine their covered expenses to satisfy the required family Deductible and Out-of-pocket amounts.
